Production Designer

Katie MacGregor

Art Department

Katie has over 20 years' experience as a Designer and Art Director.

She is originally from Toronto where she developed her skills on several large production studio builds as a draftsperson, set designer and art director before studying Production Design at the National Film and Television school in the UK.

As a designer, Katie's most recent credits include, "Harry Potter 20th Anniversary: Return to Hogwarts" for Warner Brothers, the final series of the Tracy Beaker franchise, "The Beaker Girls" and Enid Blyton's "Malory Towers" for the BBC. In 2023, the series was nominated for four Children's and Family Emmy Awards.

She has proven her ability to design, build and manage teams of all budgets and ambition.

Katie is based in South Wales.
