Raine Rafter | Makeup & Hair Designer

Raine is a Makeup & Hair Designer with a keen eye for detail, strong work ethic, a good dose of common sense & great sense of humour. Raine dropped out of school & straight into the film industry & now with 30 years experience, she loves the diversity of the work, collaborating with directors, cast & crew in the industry to help tell the story. Learning all her skills on the job, she enjoys beauty to bloody grungy & disheveled make up & hair. She excels in designing trauma, tattoos, blood work & dirt design.
