

DOP

Marci Ragalyi

Camera, Camera Operator, Steadicam Operator

Marci has worked as a camera and steady-cam operator for the past ten years as well as a second unit DOP. He has a wealth of experience in all areas, including clapper loading, focus pulling and colour grading in post production.

He has his own Steadicam-PRO equipment and ArriHead.

Marci is very creative and enjoys the process of building up to the perfect shot.
