Darrell Briggs

Sound

Darrell has been recording and mixing sound professionally for 29 years now, all over the globe experiencing many varied climates and working conditions. Working in Feature Films and TV Drama but with experience in a wide range of areas of the film and television industry; Documentary/factual, promos, commercials and corporate.

Darrell is a full member of the association of motion picture sound AMPS.

The diversity of the work undertaken in the past 29 years has enabled him to work quickly and efficiently, in often difficult conditions and environments, without compromising on quality.
