

Script Supervisor

Nicolette Blenkinsop

Script Supervisor

Nicolette is a UK based Script Supervisor, adaptable to all kinds of film making and improvisation. She solely works digitally using Script E software. This allows her to efficiently keep on top of paperwork, as well as sending documents and notes direct to the relevant departments. She can also work with both British and American slating systems.

Through all her jobs she maintains a professional and positive attitude, problem solving in a discreet and quickly manner.

Based in London and the North East but also has connections to Manchester and Bristol.
