

Production Designer

Davide De Stefano

Art Director

Davide De Stefano is an experienced and internationally awarded Production Designer, who has worked in several locations worldwide including India, Morocco, Sri Lanka, South Africa, Europe and Turkey. He has experience in various film genres such as drama, thriller, noir and many period films, managing different budgets. He has also designed Opera and stage plays.

His technical skills include art concepts (traditional and digital), models, miniatures, paintings, visual portfolio references as well as preparation, construction and accurate details of the set.

Davide always works with passion, taste, sense of organisation and deals diligently with local crews.
