Art Department

IFX International Special Effects works with individuals and companies looking for live in camera effects. For over 27 years, IFX has been providing professional service to film and tv productions and events all over the world. Our crew are experts in pyrotechnics and explosions, atmospherics, rigs and installations, 3D printing, and motion control. Safety is our main priority for each client while delivering quality results. Through clear communication and collaboration, we take pride in creating unique and jaw dropping experiences to cultivate the client's vision.
