

**Production Manager**

# Greg Harris

Production, Line Producer

Greg has set up shoots both in studios and out on location. Previous roles have required Greg to co-ordinate transport, accommodation and supporting artists, as well as stunts and SFX shoots. He has scouted, secured and managed locations. Greg has sourced crew and kit in the UK and abroad. He is experienced in producing crew and artists contracts, movement orders, callsheets, progress reports, material / music / archive clearances and post production paperwork. Greg is highly computer literate and has the ability to multitask and manage workflows. Adobe Photoshop, Final Draft & EP Budgeting
