

Ian Arrow | Production Sound Mixer

Ian is a member of AMPS. He has 30 years of experience, with 35mm Film and HD cameras. He owns a full drama sound kit that will easily cover most feature film or TV drama work. He has dual nationality to his advantage, being both British and South African, but lives and works in the UK, based in London. Very proficient as a Boom Operator, he remains flexible, between being a Sound Mixer or Boom Operator. See his IMDb LINK
