

Gareth Hemes | Production Sound Mixer

A Production Sound Mixer based in Manchester, Gareth has over 22 years experience working in Film and Television sound.

He brings a professional, friendly, and committed approach to each production, taking pride in ensuring attention to detail, strong, positive relationships with his team and with all departments. He is a collaborative individual who is always willing to help and share ideas, and lead his team with a smile.

He has a full Drama Sound Kit.
