

Stu Laurie | Script Supervisor

Stu is an experienced crew member who has worked as a Runner and AD before transitioning into Script Supervision. With a deep-rooted passion for script and story, and an impeccable eye for detail this felt like the ideal role for his natural skill set and he hasn't regretted the decision once. As a Script Supervisor, he has worked on short films, commercials, TV and features, with Netflix, the BBC, ITV and others. He understands the needs of the role on both pre-production and during principal photography and is dedicated to ensuring the best possible product at the end of the shoot.
