

Marcel Lattke | Production Supervisor

Marcel started his career in Berlin's Studio Babelsberg, the oldest large-scale studio in the world. He has since set up studio-based projects and location shoots in the UK and abroad, including countries like Malta, Morocco, Iceland, Turkey, Austria, Switzerland, Italy, France, Germany, and Belgium.

He has worked on stunt-heavy productions above and under water and sets ranging from -20 to +40 degrees Celsius. Marcel is confident working with foreign tax incentives/rebates and maintains good relationships with production services and suppliers all over Europe. He is a member of the PGA, BAFTA Connect, and the Production Guild of Great Britain.
