

The Crafty Boys | Caterer

Crafty Boys was founded in 2019 by actor Charlie Hamblett and his brother Louis (expert barista and chef) and have serviced over 100 shoots.

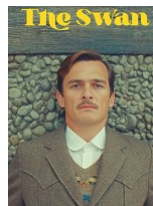

Initially making their name in craft, they've moved into to main unit catering and have 8 strong fleet of service vehicles, hand built in their workshop to service large scale shoots.

They offer a considered menu of delicious, highly nutritious dishes that bear the planet in mind at every step.

Head chef, Matthew, has spent over a decade running kitchens in London's top eateries (including Corrigan's, Bentley's in Mayfair). He brings restaurant grade standards to HEFTV, elevating what is expected from mobile catering and heads up an energetic and creative crew.
