

Sophia Knight | Personal Makeup Artist

Sophia is an able and creative designer and is a great team player who is happy to become part of any team.

She has travelled around the world working with various teams over her 15 year career so far. Creating make-up and hair looks ranging from contemporary to period, and fantastical looks. She has great experience working with wigs and creating characters and enjoys every aspect the job has to offer.

Starting off in fashion, then to theatre before moving into TV and film. Her skills are adaptable and can be focused in the direction needed.

In 2019, Sophia won the Hollywood Guild Award for "Crazy Rich Asians" in the feature motion picture "Best Contemporary Hair Styling" category
