

Stephen Nicholas | Production Designer

A Welsh Production Designer with over 30 years' experience across high-end television drama, feature film, and studio productions. Extensive experience leading art departments on internationally recognised productions across the UK, Europe, Africa, and the US. Work spans fantasy, science fiction, contemporary drama, period, comedy, and documentary. Highly experienced in both studio and location-based production design, with a strong focus on visual storytelling, world-building, and delivering high production value across a range of budgets. Experienced in green screen, motion control, and CGI-integrated environments.

Also active as a mentor and trainer, supporting apprentices and emerging talent within the art department.

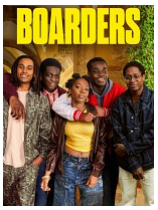

Stephen is fluent in both spoken and written Welsh. He has worked in the following countries: Africa, Bulgaria, Croatia, Dubai, Isle of Man, Ireland, Romania, South Africa, Spain, UK, United Emirates, USA

You can view Stephen's website here.
