Raine Rafter | Makeup & Hair Designer

Raine Rafter is a Makeup & Hair Designer based in Scotland, working across film and television. With extensive experience in the industry, she brings a practical, creative approach to character, continuity and the demands of production.
Her work spans makeup, hair, barbering, character development and SFX, with a particular interest in the details that bring a character to life.
Raine is available for productions throughout Scotland, the UK and internationally.
