

Judy Goldberg | Line Producer / UPM

Judy is a highly motivated producer, fixer, organiser and executor of things. A PM by trade with over 30 yrs in the industry (both in the UK and the US), she has recently stepped up to LP, cutting her teeth on 'Count Abdulla' and 'Kirkmoore' with Fudge Park (for ITV-X and BBC respectively). Judy's passions are film & TV, food and dogs. When she's not working she's either in the kitchen throwing ingredients around or in the park with her two rescue pups throwing balls around. She is diligent, loyal, meticulous, neat, organised, thorough and fair. And while she runs a very tight ship, she insists on running it with a smile; thoroughly encouraging an office culture of camaraderie, laser focus, support and laughter. We work hard and we have fun...then we work hard some more!
