

Dominic Devine | Supervising Art Director

Dominic, a seasoned supervising art director, brings two decades of industry experience. Notably, he worked on "Bridgerton" seasons one and two, earning both EMMY and BFDG award nominations. Other recent projects include "My Lady Jane" for Amazon Studios and ITV's "Sanditon." Dominic's previous experience includes production management, lighting (gaffer and film electrician) and set construction. These have equipped him with a skill set and understanding that has proven highly valuable when working with other departments. With expertise in crewing, team management, scheduling, and budgets, he has always ensured timely and on-budget deliveries. Dominic's collaboration skills, fascination with new technologies, and commitment to the designer's vision make him an invaluable asset in the ever-evolving entertainment industry.
