

Herbert Verdino | Production Sound Mixer

Based in Vienna, Austria, Herbert brings over 15 years of experience to the film and television industry. His extensive portfolio includes work on feature films, TV shows, and documentaries across Europe, the USA, India, and Thailand. Herbert is equipped with a comprehensive sound setup, including a full backup system, allowing him to support multiple film sets and splinter units simultaneously.

His expertise extends to challenging alpine locations, where his adaptability and problem-solving skills excel.

Recognising that filmmaking is a collaborative effort, Herbert carefully selects his sound team to ensure the highest quality results.

He is fluent in German and English, with basic proficiency in Italian, enabling effective communication on diverse projects.
