

Francesca Jandrell |

Francesca Jandrell is an accomplished choreographer and creative director with over a decade of experience in the dance and live entertainment industry. Known for her dynamic and emotionally driven choreography, Francesca specializes in jazz, lyrical, and show dance, blending technical excellence with powerful storytelling.

Her choreography has taken centre stage on international platforms, including large-scale productions for global brands and live events. She has worked with leading event companies to choreograph performances alongside the NFL Miami Dolphins Cheerleaders and LEGO Live Shows across Bahrain, Qatar, and Kuwait, delivering captivating experiences for diverse audiences.

Francesca has also brought her choreographic talent to theatre, creating vibrant routines for UK pantomimes, including productions working alongside H from Steps. Her work in pantomime showcases her flair for high-energy, theatrical choreography that engages and delights audiences of all ages.

In addition to her professional choreography work, Francesca runs an award-winning dance school, where she nurtures young dancers and inspires the next generation of performers. Her deep passion for choreography and performance is evident in every project she undertakes, whether on a grand international stage or in a local community showcase.

With a commitment to creativity, professionalism, and artistic excellence, Francesca Jandrell continues to make a lasting impact in the world of dance and live entertainment.
