

## Zsani Nyerky | Script Supervisor

Zsani is a London based digital script supervisor with a strong passion for visual storytelling and compelling narratives. Fluent in both English and Hungarian, she works across the UK and Europe, bringing a versatile and collaborative approach to every production. With experience spanning a wide range of genres in both HETV and feature films, Zsani is confident working across all formats and is well versed in both UK and US slate systems.

Whether in prep or on set, she is dedicated to ensuring continuity, supporting directors and editors, and helping to bring creative visions to life with precision and care.
