

David Lovelock | Prop Master

David has 11 years of experience within the Props Department; working his way up from Trainee to Prop Master. Based in Bedfordshire, he has worked across the majority of Studios found in and around London. He has also worked abroad and simultaneously ran two teams across both countries.

With a determined core crew, a LWB van and access to 3.5t Lutons at a moments notice; there is nothing that can stop him and his team from delivering a fully dressed set and hand props on time.
