

Stephen Mulholland BFE | Editor

Stephen had his eyes opened to the power of editing during his BA Film Studies at Queens University, Belfast. Having subsequently graduated from Bournemouth University with a MA in Film Editing, it took him almost a decade working in news, corporate, sports & documentary before he discovered the joys of animation editing. Since then he has worked on both feature and tv projects, collaborating with Oscar-winning Directors and winning 2 British Film Editor Cut Above Awards for his animation editing work.
