Iain Andrews | Production Designer

Iain is based in Cornwall. After working his way up through the Art Department he has been an Art Director and Production Designer for 30 years.

Iain has extensive experience of working within a collaborative process that involves translating narrative, and character psychology, into visually compelling, mood appropriate environments.

As well as across the UK, Iain has filmed in Holland, Saudi Arabia, Mexico, Panama, Borneo, South Africa and Ireland - and recently onboard a cruise ship!
